Agreed stopping places are those places (other than the places of departure and destination) shown under requested routing and/or those places shown in carrier timetables as scheduled stopping places for the route. Address of first carrier is the airport of departure. SEE CONDITIONS ON REVERSE HEREOF.  
Cargo items tendered for air transportation are subject to aviation security controls by air carriers and when appropriate, other government regulations. Copies of all relevant shipping documents showing the cargo's consignee, consignor, description, and other relevant data will be retained on file until the cargo completes its air transportation.
